*RE: Letter of Notice of Representation by Legal Counsel and Request to Gather
Relevant Data, Files, and Documents in Anticipation of Litigation*

Jonathan Gary:

Please let this letter service as notice to your agency that the household of 604 Westwood Drive, San Antonio, Texas, 78212, is represented by myself as legal counsel.

I am kindly requesting you to notify your staff to direct all communications intended for the above-referenced address through my law office contact as contained herein and to address me in my official capacity as an attorney at law.

It has been made known to me that an anonymous complaint has been made against the address of 604 Westwood Drive, San Antonio, Texas, 78212. I have obtained a copy of the Activity Card that is identified as A26-510432 wherein allegations are made by an unidentified caller and an update is added from an Officer Hernandez 338, and "Lynch 394".

On May 21, 2026, I filed a formal complaint against Officer Hernandez for misrepresenting material facts (lying) in her official report, and I notified the San Antonio City Attorney's Office of my intent to file suit regarding this matter and other relevant matters related to actions and inactions of the San Antonio Police Department.

I am currently preparing a sworn affidavit which will describe, in detail, the reason for my complaint against Officer Hernandez and I do intend to add her and O. Lynch #394 as named parties in this lawsuit. I am requesting that you place this entire file into a litigation hold while I prepare the legal documents for filing.

Specifically, I am requesting that all documents, data, recordings, and other materials be gathered and collected for four specific matters: 1) the matter previously referenced herein as A26-510432; 2) the complaint of #102002136361 and the resulting action (or inaction) associated with A26-510432; 3) the related file of A26-498250 which was referenced within A26-510432; and 4) complaint #102001860604, filed on March 18, 2026, against "Corporal

Garcia,” inside of truck #164718 for representing himself to me as a “para-military” agent while parking outside of the address of 604 Westwood Drive, San Antonio, Texas, 78212.

All four of these incidents are related to the upcoming litigation and I am providing you with this notice while I prepare official complaints against multiple members of the San Antonio Police Department, an official complaint against Officer Hernandez, and draft the necessary documents to present this lawsuit to a court for an appropriate judicial review.

Thank you for your immediate attention to this important matter.

Kindest regards,

/s/ Chris N. Carlin
